

# Manitowoc GOING GREEN

**R290**

Naturally Cooled by

**NATURALLY SMART**  
REFRIGERATION

Sustainability without sacrifice.

**FOOD EQUIPMENT FLYER**

## 2026 NBG-Select Program

### Qualification Details:

- Place initial order for 3 or more eligible ice machines. (PO must be dated 1/1/26 or later and marked with *Manitowoc Select Program*).
- 2025 qualifiers are automatically enrolled into the 2026 Manitowoc Ice Select Program.
- No changes to previous qualifications for new dealers (3 or more eligible ice machines on a single purchase order delivering to a single dealer location, fulfilled by the distributor and for immediate shipment in the continental US).
- 90 day terms on qualifying orders only (pre-qualified or non-qualifying orders will not get extended terms).

### Once qualified, you will receive the following benefits on subsequent orders through 2026:

- EXTRA 5% Discount on all eligible products.

### Restrictions and limitations:

- All orders are subject to qualification and verifications based on terms and conditions of the program, and other prevailing terms and conditions.
- Manitowoc Stocking program cannot be combined with any other established offers or discounts without further consent.

### Exclusions:

- QuietQube® / CVD models excluded.
- Quadzilla 3300 models excluded.

Deadline Date for Submission

**March 31<sup>st</sup> 2026**

# GET ON BOARD

With Integrated Water Filtration

The NEO is crafted for quality and built for business. The commitment to sustainability, energy efficiency, low GWP, and ENERGY STAR certification makes it ideal for those who want the best for their business, customers and the environment

## Elevate Your Ice with Integrated Water Filtration

- **Great Taste in Every Cube:** Experience cleaner, clearer ice that enhances the quality of your beverages.
- **Enhanced Performance:** Our integrated water filtration system ensures your ice machine operates at its peak, delivering optimum performance day in, day out.
- **Minimal Maintenance:** Enjoy the benefits of lower maintenance needs, thanks to the filtration system's ability to keep your machine clean and efficient.

## Championing Environmental Responsibility

- **Next-Generation Cooling:** Utilize the eco-conscious R290 refrigerant, minimizing environmental impact without compromising performance.
- **Efficiency Redefined:** Experience advancements in both energy and water efficiency, reducing your operational costs and ecological footprint.
- **ENERGY STAR® Excellence:** Choose from our selection of models that have earned the ENERGY STAR® qualification, representing superior energy efficiency and sustainability.
